Re: Request for Review
Municipal Solid Waste Registration Application
Terrabon, Inc. – Type V Facility
Brazos County, Texas

Dear Ms. McLean:

RPS on behalf of Terrabon, Inc. (Terrabon) is in the process of preparing a registration application for a municipal solid waste (MSW) Type V facility associated with a proposed MSW to energy production facility. The application will be submitted to the Texas Commission on Environmental Quality (TCEQ) in the near future. Per TCEQ requirements found in 30 TAC 330.61, this letter of coordination is being submitted to request a review by the Brazos Valley Council of Governments (BVCOG) and letter demonstrating compliance with BVCOG's regional solid waste management plan for the 10-acre site located in the City of Bryan, Brazos County, Texas.

To facilitate your review of the site, I have provided a copy of Part I and Part II of the TCEQ application as attachments to this letter to describe the location of the facility and proposed operations. Specifically, the following is provided as supporting information:

If I may provide additional supporting information and/or documentation to assist in your review, please call me at (512) 347-7588.

Sincerely,

RPS

Kyle Shelton, P.E.
